Peng-An Ang has dedicated years to mastering the art of diabolo juggling, delighting audiences with his skillful and artistic performances. He placed first at the 2024 and 2025 USA National Diabolo Competition. He now imparts his love for the diabolo as an instructor at various schools to bring a wealth of experience and a touch of magic to the world of diabolo.

Shifu Fong is a gold medalist in international Tai Chi competition, recognized for her exceptional skill, precision, and dedication to the art of traditional Chinese martial arts. With years of disciplined training and teaching experience, she continues to inspire students through her mastery and passion.

Tai Chi Gong Fu Fan is a dynamic martial arts routine that beautifully combines the flowing, meditative movements of Tai Chi with the strength, speed, and precision of Gong Fu. Accompanied by music, the fan becomes both a weapon and an artistic extension of the body — opening with grace, closing with power, and moving in harmony with breath and intention.
